- **Automation & AI:** MCC-level Google Ads Scripts, Apps Script and Claude Code tooling: daily ROMI-based adjustments, PMax placement exclusions, keyword and negative mining, and an AI asset optimisation system.

PROFESSIONAL EXPERIENCE

JOOBLE | PPC Marketing Manager & Growth Initiative Owner

Aug 2025 – Present

One of the largest job search engines worldwide, operating in 69 countries · Remote

- Run all Google Ads campaign types, Microsoft Ads and Meta Ads in the US, UK, Europe, India and the Middle East on uncapped budgets tied to revenue and job-application targets.
- Own a profession-led growth initiative in 7 European markets: select professions by job inventory and search demand, then work with a large team across SEO, affiliate, design and engineering to launch localised hub pages and profession-specific campaigns. Result: conversion rate up 5x.
- Built automation with Google Ads Scripts, Apps Script and Claude Code: target tracking, PMax placement exclusions, negative mining, budget pacing and AI asset optimisation.
- Designed conversion attribution fallback logic, reconcile Google Ads with Tableau data and mentor PPC specialists.

RELOAD MEDIA, AUSTRALIA | PPC Marketing Manager (Contract)

Jan 2024 – Sep 2026

Award-winning Google Premier Partner agency · Remote

- Managed Google Ads (Search, Performance Max, Shopping) and Meta Ads for clients across AU, US, UK, Europe and APAC; individual accounts up to \$100K/month, combined client portfolio \$1M+/month.
- Owned accounts end to end, from launch or takeover audit through structure, bidding, budget allocation and scaling against client CPA/ROAS targets; ran structured A/B tests on queries, audiences, ad copy and landing pages.
- Mentored junior and middle PPC specialists through account audits, strategy reviews and feedback.

POSTER, UNITED STATES | PPC Specialist (Part-time)

Jul 2023 – Feb 2026

- Owned acquisition strategy and Google Ads delivery for Poster in the US: audience tests, budget decisions and reporting with marketing and design stakeholders.

EARLIER PPC ROLES & CONSULTING | PPC Specialist / Consultant

2020 – 2025

Elit-Web, XYZ Digital Solutions, Digital Agency, independent client projects

- Built Search and Shopping acquisition for B2B, SaaS, e-commerce, EdTech, travel and local lead generation in the US, Canada and Eastern Europe; set up MCC reporting, pacing and Shopping labelling scripts.
