PROFESSIONAL EXPERIENCE

JOOBLE | PPC Marketing Manager & Growth Initiative Owner

Aug 2025 – Present

One of the largest job search engines worldwide, operating in 69 countries · Remote

- Run all campaign types across Google Ads (Search, Performance Max, AI Max, Demand Gen, Display, YouTube), Microsoft Ads and Meta Ads in the US, UK, Europe, India and the Middle East; manage uncapped budgets against revenue, completed-profile and job-application targets.
- Own a profession-led growth initiative in 7 European markets: select professions by job inventory and search demand, then work with a large team across SEO, affiliate, design and engineering to launch localised hub pages and profession-specific campaigns.
- Automated account control with Google Ads Scripts, Apps Script and Claude Code: tracking against CPA and cost-per-profile targets, exclusion of irrelevant PMax placements, negative mining, budget pacing and an AI asset optimisation pipeline (analyse → AI-suggest → apply).
- Designed conversion attribution fallback logic, reconcile Google Ads with Tableau data and mentor PPC specialists.

RELOAD MEDIA, AUSTRALIA | PPC Marketing Manager (Contract)

Jan 2024 – Sep 2026

Award-winning Google Premier Partner agency · Remote

- Managed Google Ads (Search, Performance Max, Shopping) and Meta Ads for clients across AU, US, UK, Europe and APAC; individual accounts up to \$100K/month, combined client portfolio up to \$1M/month.
- Owned accounts end to end, from launch or takeover audit through structure, bidding, budget allocation and scaling against client CPA/ROAS targets; ran structured A/B tests on queries, audiences, ad copy and landing pages.
- Mentored junior and middle PPC specialists through account audits, strategy reviews and feedback.

POSTER, UNITED STATES | PPC Specialist

Jul 2023 – Feb 2026

- Owned acquisition strategy and Google Ads delivery for Poster in the US: audience tests, budget decisions and reporting with marketing and design stakeholders.

EARLIER PPC ROLES & CONSULTING | PPC Specialist / Consultant

2020 – 2025

XYZ Digital Solutions, Digital Agency, independent client projects

- Built Search and Shopping acquisition for B2B, SaaS, e-commerce, EdTech, travel and local lead generation in the US, Canada and Eastern Europe; set up MCC reporting, pacing and Shopping labelling scripts.
